The audit or review report shall cover the Association's financial statements, which shall be prepared using generally accepted accounting principles or the cash or tax basis of accounting.

3.7.2.1. An audit shall be required only when both of the following conditions are met:

- (i) The Association has annual revenues or expenditures of at least two hundred fifty thousand dollars (\$250,000); and
- (ii) An audit is requested by the Owners of at least one-third (1/3) of the Units represented by the Association.

3.7.2.2. A review shall be required only when requested by the Owners of at least one-third (1/3) of the Units represented by the Association.

3.7.2.3. Copies of an audit or review under this subsection 3.7.2 shall be made available upon request to any Owner beginning no later than thirty (30) days after its completion.

3.7.3. In the event the Act is amended to remove, modify or otherwise revise the requirements under Section 3.7 of this Declaration, Section 3.7 shall be deemed amended to require that which is required pursuant to the Act, as amended.

Section 3.8. *Rules and Regulations and Policies and Procedures.*

Rules and regulations and policies and procedures concerning and governing the Units, Common Elements, and/or this Community may be adopted, amended and/or repealed from time to time by the Executive Board, and the Executive Board may establish and enforce penalties for the infraction thereof, including, without limitation, the levying and collecting of fines for the violation of any of such rules and regulations or policies and procedures. The rules and regulations and policies and procedures may state procedural requirements, interpretations and applications of the provisions of this Declaration, including without limitation, blanket requirements, blanket interpretations, and blanket applications. The Executive Board has the authority to adopt or vary one or more rules and regulations or policies and procedures that are different for different types of residences, if any exist. Any rules and regulations or policies and procedures that are adopted shall be in accordance with, and shall not be inconsistent with or contrary to, this Declaration and all provisions hereof.

Section 3.9. *Association Books and Records.*

3.9.1. The Association's books and records shall be subject to an audit or a review as further provided in this Declaration. Except as otherwise provided in subsections 3.9.2 and 3.9.3 below, the Association shall make reasonably available for inspection and copying by Owners, Security Interest Holders, and insurers or guarantors of any such Security Interest, current copies of all of the Governing Documents and financial documents as listed in the most recent available version of the contract to buy and sell real estate promulgated by the Colorado Real Estate Commission. The Person(s) accessing and/or copying such documents shall pay all costs associated therewith. "Reasonably available" shall mean available during normal business hours, upon prior notice of at least five (5) business days, or at the next regularly scheduled meeting if such meeting occurs within thirty (30) days after the request. In the event the Act is amended to remove, modify or otherwise revise the requirements under this subsection, this subsection shall be deemed amended to require that which is required pursuant to the Act, as amended.

3.9.2. Notwithstanding subsection 3.9.1 above, a membership list or any part thereof may not be obtained or used by any Person for any purpose unrelated to an Owner's interest as an Owner without the written consent of the Executive Board. Without limiting the generality of the foregoing, without the written consent of the Executive Board, a membership list or any part thereof may not be:

3.9.2.1. Used to solicit money or property unless such money or property will be used solely to solicit the votes of the Owners in an election to be held by the Association;

3.9.2.2. Used for any commercial purpose; or

3.9.2.3. Sold to or purchased by any Person.

3.9.3. Notwithstanding subsection 3.9.1 above, the Executive Board may, at any time(s), prior or subsequent to a request for inspection and/or copying, determine that items are confidential and should not be made available.

3.9.4. In the event the Act is amended to remove, modify, or otherwise revise the requirements under Section 3.9 of this Declaration, Section 3.9 shall be deemed amended to require that which is required pursuant to the Act, as amended.

Section 3.10. *Cooperation with, and/or Delegation to, the Master Association, Other Community Association(s) and/or Any Metropolitan or Other District(s).*

3.10.1. The Association shall have the right and authority at any time, from time to time, to enter into agreements and otherwise cooperate with, and/or delegate to, the Master Association, any other community association(s) and/or any metropolitan or other district(s), for any purposes, including without limitation: to share the costs and/or responsibility for any maintenance, repair, replacement, or other matters; to perform maintenance, repair or replacement for any Person(s) in consideration of payment or reimbursement therefor; to utilize the same contractors, subcontractors, managers, or others who may perform services for the Master Association, any other community association(s) and/or any metropolitan or other district(s); to collect assessments, other charges, or other amounts; and/or to otherwise cooperate with, and/or delegate to, the Master Association, any other community association(s) and/or any metropolitan or other district(s) in order to increase consistency or coordination, reduce costs, or as may otherwise be deemed appropriate or beneficial by the Executive Board in its sole discretion from time to time. The costs and expenses for all such matters, if any, shall be shared or apportioned between the Association and the Master Association, any other community association(s) and/or any metropolitan or other district(s), as the Executive Board may determine in its sole discretion from time to time.

3.10.2. Without limiting the generality of the foregoing, the governing board of a metropolitan district may furnish covenant enforcement and/or design review services, as well as any other matters, within such metropolitan district area or any portion thereof.

Section 3.11. *Management Agreements and Other Contracts.*

Any agreement for professional management of the Association's business or other contract providing for the services of the Declarant shall have a maximum term of three (3) years and any such agreement shall provide for termination by either party thereto, with or without cause and without payment of a termination fee, upon not more than ninety (90) days prior written notice; provided, however, that any such management agreement(s) entered into by the Association with a manager or managing agent prior to termination of the Period of Declarant Control shall be subject

to review and approval by HUD or VA if, at the time such agreement is entered into, HUD has insurance or VA has a guarantee(s) on one or more Security Interests (and if HUD or VA requires such approval).

Section 3.12. *Merger.*

The Declarant hereby reserves the right to merge the Association with one or more other common interest communities without the approval of any Member or any other Person. This right shall terminate automatically as provided in Section 1.25 of this Declaration (Special Declarant Rights).

Section 3.13. *Authenticated Electronic Representation.*

Notwithstanding anything to the contrary contained in any of the Governing Documents, to the extent permitted by applicable law, the Association may use technology or electronic representation, including without limitation electronic mail and electronic posting, in completing its duties and responsibilities. In this regard, any reference in any of the Governing Documents, to action, attendance, representation, notice, quorum, voting or acknowledgement, as well as any and all other matters, may be conducted by authenticated electronic activity and, to the extent permitted by applicable law, the provisions of this Declaration shall be deemed to include provisions which permit such authenticated electronic activity.

Section 3.14. *Compliance with Maintenance Manuals.*

Notwithstanding anything to the contrary, the Executive Board, acting on behalf of the Association, shall comply with all maintenance manuals, if any, given by the Declarant to the Executive Board or the Association, regarding maintenance, repair and/or replacement of any portion of the Community or any Improvements therein. Further, the Executive Board shall cooperate, at no cost or expense to the Executive Board, with all inspections that may be undertaken by or at the request of the Declarant, on or with respect to the Community and Improvements therein.

Section 3.15. *Notice of Meetings and Other Matters of the Association.*

Notices of any meetings, news letters and other correspondence or documents concerning the Association shall be sent to the Declarant at the same time that such notices, news letters, and other correspondence or documents are sent to the Members. However, the foregoing shall expire fifteen (15) years after initial recording of this Declaration in Garfield County, Colorado.

Section 3.16. *Delivery of Property by Declarant.*

After the Members other than the Declarant elect a majority of the Executive Board, the Declarant shall deliver to the Association all property of the Owners and of the Association held by or controlled by the Declarant, if and to the extent required by the Act.

ARTICLE 4. ASSESSMENTS

Section 4.1. *Personal Obligation for Assessments.*

Each Owner of a Unit, including Declarant, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, covenants and agrees and shall be personally obligated to pay to the Association any and all Assessments, as provided in this Declaration; with such Assessments to be established and collected as hereinafter provided. The obligation for such payments by each Owner to the Association is an independent covenant with all amounts due, from time to time, payable in full when due without notice or demand (except as otherwise expressly provided in this Declaration), and without set-off or deduction. All Owners of each Unit shall be jointly and severally liable to the Association for the payment of all Assessments attributable to their Unit. Each Assessment shall be the personal obligation of the Person(s) who was the Owner of such Unit at the time when the amount became due. The personal obligation for delinquent amounts (including Assessments) shall not pass to such Owner's successors in title unless expressly assumed by them.

Section 4.2. *Purpose of Assessments.*

The Assessments levied by the Association shall be used for maintenance, repair and replacement of the Common Elements, as provided in this Declaration, to promote the recreation, health, safety and welfare of the residents of the Units, to pay Association expenditures, and for all of those purposes and activities which may be required of the Association or which the Association may be empowered to pursue pursuant to any of the Governing Documents, or by law.

Section 4.3. *Initial Annual Assessment.*

Until the effective date of an Association budget that is proposed by the Executive Board and not vetoed by the Owners, as provided above, the monthly installment of the annual Assessment against each Unit shall not exceed Three Hundred and No/100 Dollars (\$300.00) per Unit per month, exclusive of any amounts due to the Master Association, any other community association(s), any metropolitan or other district(s) and/or any other Person or entity. However, the rate of Assessments against the Initially Unoccupied Units shall be less than that paid by other Units, as provided in the next Section.

Section 4.4. *Rate of Assessments.*

4.4.1. Annual and special Assessments shall be sufficient to meet the expected needs of the Association and shall be apportioned among the Units in accordance with their Allocated Interests. Notwithstanding the foregoing, however, the amount of the annual Assessments and special Assessments against the Initially Unoccupied Units shall be set at a lower rate than that charged against other Units, because the Initially Unoccupied Units receive and benefit from fewer services funded by such Assessments than the other Units. Colorado Revised Statutes §38-33.3-315(3)(b) states that "Any common expense or portion thereof benefiting fewer than all of the units shall be assessed exclusively against the units benefited." Based on this provision, each Initially Unoccupied Unit shall pay annual and special Assessments at the rate of fifty percent (50%) of any annual Assessment or special Assessment charged to Units other than the Initially Unoccupied Units. The annual

Assessments shall include an adequate reserve fund for the maintenance, repair and replacement of those items that must be maintained, repaired or replaced by the Association on a periodic basis.

4.4.2. The Declarant may in its sole discretion, but shall not be required to, cover certain costs of the Association by payment of any amount(s), which shall constitute loans from the Declarant to the Association, with such loan(s) to be repaid by the Association to the Declarant, without interest, at such time(s) as may be determined by the Declarant in its sole discretion at any time(s); provided, however, that at all times all amounts advanced by the Declarant to the Association, if any, which have not been repaid to the Declarant shall constitute advances against amounts due from the Declarant (including but not limited to Assessments). If the Declarant elects, in its sole discretion, to loan any amounts as provided in this subsection, Declarant shall not, under any circumstances, be obligated to continue loans, payment or funding of any amount(s) in the future.

Section 4.5. *Date of Commencement of Annual Assessments.*

Annual Assessments shall commence at such time as the Executive Board may determine in its sole discretion. After any annual Assessment has been made by the Association, annual Assessments shall not be greater than the amount set forth in Section 4.3 of this Declaration (Initial Annual Assessment), and thereafter shall be based on a budget proposed by the Executive Board and not vetoed by the Owners as provided in this Declaration. A budget shall be so proposed by the Executive Board no less frequently than annually. The annual Assessments shall be due and payable in monthly installments, in advance, or on such other dates, and with such frequency (which may be other than monthly, but not less frequently than annually), as the Executive Board determines in its sole discretion from time to time, provided that the first annual Assessment shall be adjusted to reflect the time remaining in the first Association fiscal year. Any Owner purchasing a Unit between installment due dates shall pay a pro rata share of the last payment due.

Section 4.6. *Special Assessments.*

In addition to the annual Assessments authorized in this Article, the Executive Board may levy, in any fiscal year, with the approval of the votes of sixty-seven percent (67%) of a quorum of Association votes, as provided in Section 4.7 hereof, at a meeting duly called for this purpose, a special Assessment applicable to that year only, for the purpose of defraying in whole or in part the cost of any construction, repair or replacement of a capital improvement upon any portion of real property for which the Association has repair and/or replacement obligations, including fixtures and personal property related thereto, or for repair or replacement of any damaged or destroyed Improvements or for the funding of any expense or deficit of the Association. Any such special Assessment shall be set against each Unit in accordance with the Allocated Interests set forth in this Declaration, except that the rate of special Assessments against the Initially Unoccupied Units shall be set as provided in Section 4.4.1 of this Declaration. A meeting of the Members called for the purpose of considering the establishment of a special Assessment shall be held in conformance with Section 4.7 of this Declaration (Notice and Quorum for Any Special Assessments).

Section 4.7. *Notice and Quorum for Any Special Assessments.*

Written notice of any meeting called for the purpose of taking any action authorized under Section 4.6 of this Declaration (Special Assessments) shall be sent to all Members not less than thirty (30) days nor more than fifty (50) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all the Association votes shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 4.8. *Assessments for Services to Less Than All Units.*

The Association may, at any time from time to time, provide services to less than all of the Unit(s) in the Community. If such services are not funded by the Association's annual or special Assessments, then such services shall be provided, if at all, pursuant to a written statement that includes terms for payment of the costs, fees and expenses for such services. Services which may be provided by the Association pursuant to this Section include, without limitation: (a) the construction, care, operation, management, maintenance, upkeep, repair, replacement and renovation of Improvements or property owned or maintained by such Owner(s); (b) the provision of any services or functions to or for such Unit(s); (c) the enforcement of the provisions of any document or agreement for, on behalf of, and in the name of the applicable Owners; (d) the payment of taxes or other amounts for Owners with funds provided by such Owners; and (e) the procurement of insurance for Owners.

Section 4.9. *Lien for Assessments.*

4.9.1. The Association has a statutory lien on a Unit for Assessments levied against that Unit or the Owner(s) thereof. Fees, charges, late charges, attorney fees, fines and interest charged pursuant to this Declaration are enforceable as Assessments under this Article. The amount of the lien shall include all those items set forth in this Section from the time such items become due. If an Assessment is payable in installments, each installment is a lien from the time it becomes due, including the due date set by any valid Association acceleration of installments.

4.9.2. Recording of this Declaration constitutes record notice and perfection of the lien. No further recordation of any claim of lien for Assessments is required. However, the Executive Board or managing agent of the Association may prepare, and record in the county in which the applicable Unit is located, a written notice setting forth the amount of the unpaid indebtedness, the name of the Owner(s) of the Unit, and a description of the Unit. If a lien is filed, the costs and expenses thereof shall be added to the Assessments for the Unit against which it is filed and collected as part and parcel thereof. The Association's lien may be foreclosed in like manner as a mortgage on real estate.

Section 4.10. *Priority of Association Lien.*

4.10.1. A lien under this Article 4 is prior to all other liens and encumbrances on a Unit except:

4.10.1.1. Liens and encumbrances recorded before the recordation of the Declaration;

4.10.1.2. A Security Interest on the Unit which has priority over all other security interests on the Unit and which was recorded before the date on which the Assessment due to the Association became delinquent; and

4.10.1.3. Liens for real estate taxes and other governmental assessments or charges against the Unit.

4.10.2. A lien under this Section is also prior to the Security Interests described in the preceding subsection 4.10.1.2 to the extent, if any, provided in the Act.

4.10.3. This Section does not affect the priority of mechanics' or materialmen's liens or the priority of liens for other Assessments made by the Association.

4.10.4. The Association's lien on a Unit for Assessments and other amounts shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Colorado or any exemption now or hereafter provided by the laws of the United States. The acceptance of a deed to a Unit subject to this Declaration shall constitute a waiver of the homestead and any other exemption as against said Association lien.

Section 4.11. *Certificate of Status of Assessments.*

The Association shall furnish to an Owner or such Owner's designee or to a Security Interest Holder or its designee, upon written request delivered personally or by certified mail, first class postage prepaid, return receipt, to the Association's registered agent, a written statement setting forth the amount of unpaid Assessments, if any, currently levied against such Owner's Unit. The statement shall be furnished within such times as required by law, and is binding on the Association, the Executive Board, and every Owner. The Association or its agent shall have the right to charge a reasonable fee for the issuance of such certificates.

Section 4.12. *Application of Payments; Effect of Non-Payment of Assessments; Remedies of the Association.*

4.12.1. Application of payments received by the Association from Owners for payment of amounts due to the Association by such Owners, shall be applied first to the payment of attorneys fees, fines, late charges and any other amounts (other than annual Assessments or special Assessments) due to the Association (in the order listed), if any; second to the payment of accrued interest at the rate specified in subsection 4.12.2 below, if any; and third to the payment of Assessments and other amounts due to the Association.

4.12.2. Any Assessment not paid within fifteen (15) days after the due date thereof may bear interest from the due date at the rate of twenty-one percent (21%) per annum, or at such lesser rate as may be set from time to time by the Executive Board in its sole discretion, and the Executive Board may assess thereon a monthly late charge in such amount as may be determined, from time to time, by the Executive Board in its sole discretion. The Association may bring an action at law against the Owner(s) personally obligated to pay the same, or foreclose the lien against such Owner's Unit. If a judgment or

decree is obtained, including without limitation in a foreclosure action, such judgment or decree shall include a reasonable attorney's fee, together with the costs of the action and may include interest and late charges as above provided. No Owner may be exempt from liability for payment of any Assessment by waiver of the use or enjoyment of any of the Common Elements or by abandonment of the Unit against which the Assessments are made, or because of dissatisfaction with the Association or its performance. This Article does not prohibit actions or suits to recover sums for which this Declaration creates a lien, nor does this Article prohibit the Association from taking a deed in lieu of foreclosure.

Section 4.13. *Surplus Funds.*

Any surplus funds of the Association remaining after payment of or provision for Association expenses and any prepayment of or provision for reserves shall be retained by the Association and need not be paid to the Owners or credited to them.

Section 4.14. *Working Capital Fund.*

The Association shall require the first Owner (other than Declarant) of any Unit who purchases that Unit from Declarant to make a non-refundable contribution to the Association in an amount equal to two (2) times the then current monthly installment of the annual Assessment (regardless of whether or not annual Assessments have commenced as provided in Section 4.5 of this Declaration (Date of Commencement of Annual Assessments)). Said contribution shall be collected and transferred to the Association at the time of closing of the sale by Declarant of each Unit and shall be maintained for the use and benefit of the Association, including, without limitation, to meet expenditures or to purchase equipment, property or services. Such contribution to the working capital fund shall not relieve an Owner from making regular payments of Assessments as the same become due.

Section 4.15. *Other Charges.*

The Association may levy and assess charges, costs and fees for matters such as, but not limited to, the following, in such amounts(s) as the Executive Board may determine in its sole discretion at any time from time to time, including reimbursement of charges that are made to the Association by its managing agent or other Person: copying of Association or other documents; return check charges; charges for telefaxes; long distance telephone calls; transfer charges or fees upon transfer of ownership of a Unit; notices and demand letters; and other charges incurred by the Association for or on behalf of any Owner(s). All such charges, costs and fees shall be in addition to the Assessments levied by the Master Association, but shall be subject to all of the Master Association's rights with respect to the collection and enforcement of Assessments.

Section 4.16. *Charges for Misconduct.*

If any Association expense is caused by the misconduct of any Owner, his family members, tenants, guests or invitees, as determined by the Executive Board, the Association may assess that Association expense exclusively against such Owner and such Owner's Unit.

ARTICLE 5. DESIGN REVIEW

Section 5.1. *Composition of Committee; Authority of Representative.*

5.1.1. The Design Review Committee shall consist of three (3) or more persons. Until automatic termination of the Special Declarant Rights as provided in Section 1.25 of this Declaration (Special Declarant Rights), the Declarant has the right to appoint the Design Review Committee; subsequent to such date, the Design Review Committee shall be appointed by the Executive Board. The power to "appoint" the Design Review Committee, as provided herein, shall include without limitation the power to: constitute the initial membership of the Design Review Committee; appoint member(s) to the Design Review Committee on the occurrence of any vacancy therein, for whatever reason; and remove any member of the Design Review Committee, with or without cause, at any time, and appoint the successor thereof. Each such appointment may be made for such term(s) of office, subject to the aforesaid power of removal, as may be set from time to time in the sole discretion of the appointor. The terms of all then-current members of the Committee who were appointed by the Declarant shall automatically terminate at such time as the Declarant's power to appoint members of the Committee expires. The members of the Design Review Committee shall not be "officers" of the Association as a result of service on the Committee and thus, as a result of such service, shall not have any of the rights or duties attributable to officers of the Association.

5.1.2. The Committee may at any time, from time to time, appoint a representative to act on its behalf. If the Committee does so, then the actions of such representative shall be the actions of the Committee, subject to the right of appeal as provided below. However, if such a representative is appointed by the Committee, then the Committee shall have full power over such representative, including without limitation the power to at any time withdraw from such representative any of such representative's authority to act on behalf of the Committee and the power to at any time remove or replace such representative.

Section 5.2. *Review and Approval by Design Review Committee and by Master Association Architectural Control Committee; Reimbursement for Expenses; Requirement for Approval by Governmental Entities.*

5.2.1. Except as provided in Section 5.9 (Variance) and Section 5.13 (Declarant's Exemption) of this Declaration, no Improvements shall be constructed, erected, placed, altered, planted, applied or installed on any Unit unless complete plans and specifications therefor (said plans and specifications to show exterior design, height, materials, color, and location of the Improvements, plotted horizontally and vertically, location and size of driveways, location, size, and type of landscaping, fencing, decks, walls, windbreaks and grading plan, as well as such other materials and information as may be required by the Committee), have been first submitted to and approved in writing by the Design Review Committee, and by the Master Association Architectural Control Committee.

5.2.2. The Design Review Committee shall exercise its reasonable judgment to the end that all Improvements conform to and harmonize with the existing surroundings, residences, landscaping and structures.

5.2.3. In its review of such plans, specifications and other materials and information, the Design Review Committee may require the applicant(s) to reimburse the Committee for the actual expenses incurred in the review and approval process. Such amounts, if any, shall be levied in addition to the Assessment against the Unit for which the request for Design Review Committee approval was made, but shall be subject to the Association's lien for Assessments and subject to all other rights of the Association for the collection of such Assessments, as more fully provided in this Declaration.

5.2.4. In addition to the approvals provided for in this Article, the construction, erection, addition, deletion, change or installation of any Improvements shall also require the applicant to obtain the approval of all governmental entities with jurisdiction thereover and issuance of all required permits, licenses and approvals by all such entities. Without limiting the generality of the preceding sentence, issuance of building permit(s) by the Town of New Castle, Colorado, if required, shall be a precondition to commencement of any construction or alteration of, addition to or change in any Improvement.

Section 5.3. *Delegation (and Acceptance) of Design Review and Approval.*

5.3.1. The Declarant, during the time when the Declarant has the right to appoint the Design Review Committee, and the Board thereafter, may delegate any or all design review and/or approval functions that are provided for in this Declaration to any other architectural/design review committee, including without limitation the Master Association Architectural Control Committee, and may accept from any such architectural/design review committee(s), delegation of any or all review and/or approval functions of such architectural/design review committee(s). The Committee shall also have the right and authority to otherwise cooperate with any such architectural/design review committee in order to increase consistency or coordination, reduce costs, or as may otherwise be deemed appropriate or beneficial by the Executive Board in its sole discretion from time to time.

5.3.2. The party with the right to appoint the Design Review Committee may, at any time, determine to reclaim the delegated rights. To reclaim the delegated rights, written notice must be given to the governing body of the entity to whom delegation was made, that such right is being reclaimed by the Association, and the reclamation shall be effective upon receipt of the notice by the governing body of the entity to whom delegation was made. No delegation of design review and/or approval shall constitute a waiver of the right of design review and/or approval as provided in this Declaration.

5.3.3. The rights and duties under this Article may be delegated with conditions and restrictions that the entity accepting the delegation must follow.

Section 5.4. *Procedures.*

The Design Review Committee shall decide each request for approval within thirty (30) days after the complete submission of the plans, specifications and other materials and information which the Committee may require in conjunction therewith. If the Design Review Committee fails to decide any request within thirty (30) days after the complete submission of the plans, specifications, materials and other information with respect thereto, then the request for approval shall be deemed to have been denied by the Committee.

Section 5.5. *Vote and Appeal.*

A majority vote of the Design Review Committee is required to approve a request for approval pursuant to this Article, unless the Committee has appointed a representative to act for it, in which case the decision of such representative shall control. In the event a representative acting on behalf of the Design Review Committee denies a request for approval, then the Owner submitting the request for approval shall have the right to an appeal of such decision to the full Committee, upon a request therefor submitted to the Committee within thirty (30) days after such decision by the Committee's representative. Subsequent to conveyance by the Declarant of all of the property described on the attached Exhibits A, B and D, the Owner submitting the request for approval shall have the right to appeal a Design Review Committee decision to the Executive Board, upon a written request therefor submitted to the Executive Board by the Owner who submitted the approval request, within thirty (30) days after such decision by the Design Review Committee.

Section 5.6. *Prosecution of Work After Approval.*

After approval of any proposed Improvement by the Design Review Committee, the proposed Improvement shall be accomplished as promptly and diligently as possible and in complete conformity with the terms and conditions of the approval. Failure to complete the proposed Improvement within one (1) year after the date of approval of the application, or such lesser time as may be provided on the application for approval, or failure to complete the Improvement in complete conformance with terms and conditions of the approval, shall constitute noncompliance with the requirements for approval of Improvements by the Design Review Committee and a violation of this Article; provided, however, the Design Review Committee may, in its sole discretion, grant extensions of time for completion of any proposed Improvement(s).

Section 5.7. *Inspection of Work.*

The Design Review Committee or its duly authorized representative shall have the right to inspect any Improvement prior to, during or after completion in order to determine whether or not the proposed Improvement is being completed or has been completed in compliance with the approval granted by the Committee. However, unless the Committee expressly states, in a written document, that an Improvement is being or has been completed in conformance with the Design Review Committee approval therefor, no such conformance shall be implied from any inspection of the Improvement either during the work or after completion thereof.

Section 5.8. *Standards/Guidelines.*

Except as provided in the last sentence of this Section, the Design Review Committee, with the advice of the Executive Board, has the authority, at any time from time to time, to enact, issue, promulgate, modify, amend, repeal, re-enact, and enforce architectural standards, guidelines, rules and regulations to interpret and implement the provisions of this Declaration. Without limiting the generality of the foregoing, such provisions may contain guidelines to clarify the types of designs and materials that may be considered in design approval, may state requirements for submissions in order to obtain review by the Committee, may state procedural requirements, or may specify acceptable Improvement(s) that may be installed without the prior approval of the Committee. In addition, such provisions may provide for blanket approvals, interpretations or restrictions on Improvements. By way of example, and not by way of limitation, such provisions may state that a certain type of screen door will be acceptable and will not require approval. All Improvements proposed to be constructed, and any guidelines that are adopted, shall be done and used in accordance with this Declaration. After termination of the Declarant's right to appoint the members of the Design Review Committee, as provided in Section 5.1 of this Declaration (Composition of Committee; Authority of Representative), any new architectural standards, guidelines, rules and regulations or any modifications to existing architectural standards, guidelines, rules and regulations proposed by the Committee, shall not be effective until the same has been approved by the Executive Board.

Section 5.9. *Variance.*

The Design Review Committee may grant reasonable variances or adjustments from any conditions and restrictions imposed by this Article or Article 10 of this Declaration (Restrictions), in order to overcome practical difficulties or prevent unnecessary hardships arising by reason of the application of any such conditions and restrictions. Such variances or adjustments shall be granted only in case the granting thereof shall not be materially detrimental or injurious to the other property or improvements in the neighborhood and shall not militate against the general intent and purpose hereof.

Section 5.10. *Waivers; No Precedent.*

The approval or consent of the Design Review Committee, or any representative thereof, to any application for approval shall not be deemed to constitute a waiver of any right to withhold or deny approval or consent by the Committee or any representative thereof, as to any application or other matters whatsoever as to which approval or consent may subsequently or additionally be required. Nor shall any such approval or consent be deemed to constitute a precedent as to any other matter. The granting or denial of a variance or adjustment by the Design Review Committee, or any representative thereof, shall not be deemed to constitute a waiver of any right to grant or deny any other or future variance or adjustment by the Committee or any representative thereof, as to any other request for variance or adjustment or other matters whatsoever. Nor shall any such variance or adjustment be deemed to constitute a precedent as to any other matter.

Section 5.11. *Records.*

The Design Review Committee shall maintain written records of all applications submitted to it and all actions taken by it thereon for such period of time as may be determined by the

Executive Board from time to time and, subject to Section 3.9 of this Declaration (Association Books and Records), such records shall be available to Members for inspection at reasonable hours of the business day.

Section 5.12. *Liability.*

Neither the Design Review Committee nor any members thereof, shall be liable in equity or damages to any Person submitting requests for approval or to any Owner or other Person by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove in regard to any matter within their jurisdiction hereunder. In reviewing any matter, the Design Review Committee, shall not be responsible for the safety, whether structural or otherwise, of the Improvement(s) submitted for review, nor the conformance with applicable building codes or other governmental laws or regulations, nor any other matters, and any approval of an Improvement by the Design Review Committee shall not be deemed an approval of any of the same. No Member or other Person shall be a third party beneficiary of any obligation imposed upon, rights accorded to, action taken by, or approval or disapproval granted by the Design Review Committee.

Section 5.13. *Declarant's Exemption.*

Notwithstanding anything to the contrary, until automatic termination of the Special Declarant Rights as provided in Section 1.25 of this Declaration (Special Declarant Rights), the Declarant shall be exempt from the provisions of this Article 5 (Design Review) and Article VIII of the Master Declaration (Architectural Control Committee), except for the requirement to obtain approval from all governmental entities with jurisdiction thereover (as provided in Section 5.2.4 herein).

ARTICLE 6. INSURANCE

Section 6.1. *Insurance.*

The Association shall maintain insurance in connection with the Common Elements. The Association shall maintain insurance as required by applicable law or applicable regulation, including without limitation, the Act. Such insurance shall include, without limitation, property insurance and commercial general liability insurance. In addition, the Association may maintain insurance on such other property and/or against such other risks as the Executive Board may elect from time to time, including, but not limited to, fidelity coverage, personal liability insurance to protect directors and officers of the Association from personal liability in relation to their duties and responsibilities in acting as directors or officers on behalf of the Association, worker's compensation insurance, and such other insurance on such other property and/or against such other risks as the Executive Board may elect in its sole discretion from time to time.

Section 6.2. *Insurance on the Structures on Units.*

In addition to insurance in connection with the Common Elements as provided in the preceding subsection, the Executive Board or its agent may (but shall not be obligated to) obtain and maintain, to the extent that such insurance is reasonably available, considering the availability, cost and risk coverage provided by such insurance, a policy of property insurance covering the structure(s) located on each Unit, except for land, excavations, foundations and other matters normally excluded from property policies, in an amount not less than that necessary to comply with

any co-insurance percentage stipulated in the insurance policy. Said policy may include, without limitation, at the direction of the Board, coverage on basic interior surface finishes (basic floor coverings such as carpeting, dry wall and basic applications of paint to walls) and any fixtures and equipment (such as toilets, sinks, faucets, bathtubs, cabinets, utility meters, meter boxes and air conditioning compressors). Said policy shall contain a "Replacement Cost Endorsement" providing that any claim will be settled on a full replacement cost basis without deduction for depreciation, an "Inflation Guard Endorsement," an "Agreed Amount Endorsement," and may include other endorsement(s) as deemed appropriate by the Executive Board from time to time. Such insurance shall afford protection against at least the following:

6.2.1. loss or damage by fire and other perils normally covered by the standard extended coverage endorsement; and

6.2.2. such other risks as shall customarily be covered with respect to projects similar in construction, location and use, including all perils normally covered by the standard "All Risk" endorsement, where such is available.

Section 6.3. *General Provisions of Insurance Policies.*

All policies of insurance carried by the Association shall comply with this Section. All policies of insurance carried by the Association shall be carried in blanket policy form naming the Association as insured, or its designee as trustee and attorney-in-fact for all Owners, and each Owner shall be an insured person under such policies with respect to liability arising out of any Owner's membership in the Association. The policy or policies shall contain a standard non-contributory Security Interest Holder's clause in favor of each Security Interest Holder and a provision that it cannot be canceled or materially altered by either the insured or the insurance company until at least thirty (30) days prior written notice thereof is given to the insured and each Security Interest Holder, insurer or guarantor of a Security Interest on the Unit insured by such insurance policy. The Association shall furnish a certified copy or duplicate original of such policy or renewal thereof, with proof of premium payment and a certificate identifying the interest of the Owner in question, to any party in interest, including Security Interest Holders, upon request. All policies of insurance carried by the Association shall also contain waivers of subrogation by the insurer against any Owner or member of such Owner's household. Further, all policies of insurance carried by the Association shall also contain waivers of any defense based on invalidity arising from any act or omission of an Owner where such Owner is not under the control of the Association.

Section 6.4. *Deductibles.*

The Association may adopt and establish written non-discriminatory rules and regulations or policies and procedures relating to the responsibility for deductibles. Any loss or any portion thereof, which falls within the deductible portion of a policy that is carried by the Association may, at the election of the Executive Board in its sole discretion: be borne by the Person who is responsible for the repair and maintenance of the property which is damaged or destroyed; be apportioned among the Persons sharing in a joint duty of repair and maintenance; and/or be partly or wholly borne by the Association and/or be shared by any such Person(s) and the Association. Notwithstanding the foregoing, after notice and hearing, the Association may determine that a loss, either in the form of a deductible to be paid by the Association or an uninsured loss, resulted from the act or omission of one or more Owners. Upon said determination by the Association, any such

loss or portion thereof may be assessed to the Owner(s) in question in such amount(s) as the Executive Board deems appropriate, and the Association may collect such amount(s) from said Owner(s) in the same manner as any Assessment.

Section 6.5. *Payment of Insurance Proceeds.*

Any loss covered by an insurance policy described in Section 6.1 (Insurance) or Section 6.2 (Insurance on the Structures on Units) of this Declaration must be adjusted with the Association, but the insurance proceeds for that loss shall be payable to any insurance trustee designated for that purpose, or otherwise to the Association, and not to any Security Interest Holder. The insurance trustee or the Association shall hold any insurance proceeds in trust for the Association, Owners and Security Interest Holders, as their interests may appear. Subject to the provisions of Section 7.1 of this Declaration (Damage or Destruction), the proceeds must be disbursed first for the repair or replacement of the damaged property; and the Association, Owners and Security Interest Holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the property has been completely repaired or replaced and any budget or reserve deficit has been funded, or unless the Community is terminated.

Section 6.6. *Association Insurance as Primary Coverage.*

If at the time of any loss under any policy which is in the name of the Association, there is other insurance in the name of any Owner and such Owner's policy covers the same property or loss, or any portion thereof, which is covered by such Association policy, such Association policy shall be primary insurance not contributing with any of such other insurance. An Owner shall be liable to the Association for the amount of any diminution of insurance proceeds to the Association as a result of policies of insurance of an Owner, and the Association may collect the amount from said Owner in the same manner as any Assessment. Any such Owner's policy shall also contain waivers of subrogation.

Section 6.7. *Acceptable Insurance Companies.*

Each insurance policy purchased by the Association must be written by an insurance carrier which is authorized by law to do business in the State of Colorado. The Association shall not obtain any policy where (a) under the terms of the insurance company's charter, bylaws, or policy, contributions or assessments may be made against the mortgagor or mortgagee's designee, or (b) under the terms of the carrier's charter, bylaws, or policy, loss payments are contingent upon action by the carrier's board of directors, policy holders or members, or (c) the policy includes any limiting clauses (other than insurance conditions) which could prevent mortgagees or any Owner from collecting insurance proceeds.

Section 6.8. *Insurance to be Maintained by Owners.*

Any insurance policy issued to the Association does not eliminate the need for Owners to obtain insurance for their own benefit. Insurance coverage on each Owner's Unit and the Improvements thereon (unless and to the extent the same are insured by the Association in its sole discretion), as well as on all the furnishings and personal property belonging to an Owner, including without limitation, basement finishes and upgrades added to the dwelling unit at the time of purchase or after, and public liability insurance coverage on each Unit, shall be the responsibility of

the Owner of such Unit. Owners shall also be responsible for obtaining any policies of title insurance required in connection with any sale of a Unit other than the purchase by the initial Owner(s) from the Declarant.

ARTICLE 7. DAMAGE OR DESTRUCTION

Section 7.1. *Damage or Destruction.*

7.1.1. Any portion of the Community for which casualty insurance is required to be carried by the Association under this Declaration and which is damaged or destroyed, must be repaired or replaced promptly by the Association except as may otherwise be provided in the Act.

7.1.2. The cost of repair or replacement that is covered by insurance carried by the Association, but which is in excess of insurance proceeds and reserves is an Association expense. If the entire Community is not repaired or replaced, the insurance proceeds attributable thereto must be used to restore the damaged area to a condition compatible with the remainder of the Community, and except to the extent that other Persons will be distributees, the remainder of the proceeds must be distributed to all the Owners or lienholders, as their interests may appear, in proportion to the Allocated Interests.

Section 7.2. *Units.*

Except as provided in Section 7.1 of this Declaration (Damage or Destruction), any damage to or destruction of any structure located on a Unit shall be promptly repaired and replaced by the Owner thereof. "Repaired and replaced," as used in this Section, shall mean restoring the structure to substantially the same condition in which it existed immediately prior to such damage or destruction, including having the same boundaries as before. If the Owner(s) of a Unit do not commence repair or replacement activities within a reasonable time, as provided above, and diligently pursue the same in conformance with the plans approved by the Design Review Committee, then the Association may, in its reasonable sole discretion, after providing the notice required in Section 8.3 of this Declaration (Association's Right to Maintain, Repair and Replace) enter upon the Unit and complete such repair or replacement. Except as provided in Section 8.5 of this Declaration (Acts or Omissions), the cost of such repair or replacement shall be the personal obligation of the Owner(s) of the Unit on which such work was performed, and shall be subject to the terms and provisions of Article 4 of this Declaration (Assessments). If the Members vote not to rebuild the home on any Unit, that Unit's Allocated Interests are automatically reallocated as if the Unit had been condemned as provided in Section 14.13 of this Declaration (Eminent Domain), and the Association promptly shall prepare, execute and record an amendment to the Declaration reflecting such reallocations.

ARTICLE 8. EXTERIOR MAINTENANCE

Section 8.1. *General.*

8.1.1. Maintenance, repair and replacement of the Common Elements, Improvements located thereon, and of any drainage structure or facilities, or other public Improvements required by the local governmental entity as a condition of development of the Community or any part thereof, shall be the responsibility of the Association unless such

Improvements have been dedicated to and accepted by the local governmental entity for the purpose of maintenance, repair and replacement or unless such maintenance, repair and replacement has been authorized by law to be performed by a special district or other municipal or quasi-municipal entity. The Town of New Castle has the right, but not the obligation, to maintain all Common Elements and maintain, repair, and replace all Improvements located thereon, including drainage structures, and the right to use the Common Elements for snow storage. The Association shall also maintain, repair and replace fences installed by the Declarant in the Community (including any rear yard fences on Units). Further, the Association may provide such other maintenance, repair and replacement as the Executive Board deems appropriate from time to time including without limitation, publicly-dedicated property and Improvements located thereon. The costs, expenses, fees, and other amounts to be expended for the maintenance, repair and replacement that is provided for in this subsection shall, subject to Section 8.5 of this Declaration (Acts or Omissions), be collected by the Association as Assessments as provided in Article 4 of this Declaration (Assessments).

8.1.2. The Association shall provide snow removal from the driveway and sidewalk(s) of each Unit (excluding porches and patios). Further, the Association shall water and provide maintenance, repair and replacement of the landscaping on the front and rear yards of the Units installed by the Declarant, , and shall provide maintenance, repair and replacement of the rear yard fences installed by the Declarant. The costs, expenses, fees, and other amounts expended for the maintenance, repair and replacement that is provided for in this subsection shall, subject to Section 8.5 of this Declaration (Acts or Omissions), be collected by the Association as Assessments as provided in Article 4 of this Declaration (Assessments).

8.1.3. The Association shall also maintain, repair and replace the exteriors of the dwelling units now or hereafter located on Units, as follows (to the extent that such are applicable): paint or stain; replacement and care of roofs, gutters, downspouts, exterior building surfaces, and railings around any decks and patios; provided, however, that such exterior maintenance, repair and replacement shall not include exterior doors or garage doors, except painting or staining, and shall also not include sidewalks (except snow removal, as provided above), foundations, patios, porches, decks, air-conditioning compressors, exterior light fixtures, windows or window screens, or glass surfaces. The costs, expenses, fees, and other amounts expended for the maintenance, repair and replacement that is provided for in this subsection shall, subject to Section 8.5 of this Declaration (Acts or Omissions), be collected by the Association as Assessments as provided in Article 4 of this Declaration (Assessments).

8.1.4. The extent, degree and timing of Association-provided watering and snow removal, and of Association-provided maintenance, repair and replacement, including without limitation watering of landscaping and maintenance, repair and replacement of front and rear yard landscaping and of rear yard fences, shall be determined, from time to time, by the Executive Board in its sole discretion. In no event shall the Association be responsible for removal of, or damage caused to any Person or property by, ice or the build-up of ice in the Community or any portion(s) thereof.

8.1.5. Except as provided in subsections 8.1.1, 8.1.2, 8.1.3 and 8.1.4, above, the maintenance, repair and replacement of each Unit, and the Improvements thereon, shall be performed by the Owner(s) thereof at such Owner's sole cost and expense. However, the foregoing is subject to the provisions of Section 8.3 (Association's Right to Maintain, Repair and Replace) and Section 8.5 of this Declaration (Acts or Omissions).

Section 8.2. *Changed or Added Improvements.*

Any Improvement which has been changed, altered or modified by or for an Owner or occupant of a Unit shall be maintained, repaired and replaced by such Owner to the extent of the change, alteration or modification. If the Improvement is newly constructed, erected, placed, planted, applied or installed by an Owner or occupant of a Unit, then the entirety of such Improvement shall be maintained, repaired and replaced by the Owner of such Unit. However, the Executive Board may at any time, by resolution, elect to have the Association provide such maintenance, repair or replacement; provided that any such resolution shall be subject to being repealed, revoked, modified, changed or altered, at any time, from time to time, by the Board.

Section 8.3. *Association's Right to Maintain, Repair and Replace.*

In the event any Owner(s) shall fail to perform his maintenance, repair and/or replacement obligations in a manner satisfactory to the Executive Board, the Association may, if said failure continues for a fifteen (15) day period after written notice to said Owner(s) by the Board, enter upon said Unit subsequent to the expiration of said fifteen (15) day period to perform any or all of such maintenance, repair and/or replacement. Notwithstanding the foregoing, no notice shall be required in emergency situations. The cost of such maintenance, repair and/or replacement shall be the personal obligation of the Owner(s) of the Unit on which such work is performed, and shall be subject to all of the terms and provisions applicable to Assessments as provided in Article 4 of this Declaration (Assessments), including, without limitation, interest, late charges and lien rights.

Section 8.4. *Non-Interference with Grade and Drainage.*

Each Owner agrees, for himself and his successors and assigns, that he will not in any way interfere with or obstruct the established drainage pattern over any real property from adjoining or other real property. In the event that any Person wishes to change the established drainage over any property in the Community, then such Person shall submit a plan to the Design Review Committee for its review and approval in accordance with Article 5 of this Declaration (Design Review) and to the Master Association Architectural Control Committee in accordance with Article VIII of the Master Declaration (Architectural Control Committee), and any such change shall also be made in accordance with all laws, regulations and resolutions of any applicable governmental entities. For purposes of this Section, "established drainage" is defined as the drainage which exists at the time final grading by the Declarant is completed.

Section 8.5. *Acts or Omissions.*

Notwithstanding anything to the contrary contained in this Declaration, in the event that the need for maintenance, repair or replacement of the Common Elements, a Unit, or any Improvements located thereon, is caused by the act or omission of any Owner, or by the act or omission of any member of such Owner's family or by a tenant, guest or invitee of such Owner, the cost of such repair, maintenance, replacement or expense to avoid such damage shall be the

personal obligation of such Owner to the extent that said Owner would be liable for the acts of such Persons under the laws of the State of Colorado; and any costs, expenses and fees incurred by the Association for such maintenance, repair or replacement shall be added to the Assessment to which such Owner's Unit is subject and shall be subject to all of the terms and provisions of Article 4 of this Declaration (Assessments). A determination of the act or omission of any Owner, or any member of an Owner's family or a tenant, guest or invitee of any Owner, and the amount of the Owner's liability therefor, shall be determined by the Executive Board at a hearing after notice to the Owner.

Section 8.6. *Landscaping Warranties; Turnover of Landscaping.*

8.6.1. As part of completion of the Community, the Declarant is having initial landscaping installed on some of the Common Elements and on the front and rear yards of the Units. Such landscaping will be installed by a landscaping installer who will, incidental to such installation, issue separate written warranties to the Declarant on the landscaping installed by such installer ("Landscape Warranty"). The Declarant is not providing a separate warranty on landscaping. Except as provided in subsection 8.6.2 below, any claim under any Landscape Warranty will be handled by the Association to the Declarant, and any questions or concerns regarding the landscaping materials, installation, or any other matters related to landscaping will be raised with the Association, and the Association will take up such issue(s) with the Declarant.

8.6.2. Upon or immediately following installation of landscaping on any Common Elements and on the front and rear yards of the Units, a walk-through shall be conducted of such landscaping by the Declarant, the Executive Board (or by a committee, such as a landscape committee, designated by the Board), the managing agent of the Association, and perhaps the landscape installer. The purpose of the walk-through will be to determine the acceptability of such landscaping to the Association, to note any deficiencies or concerns that must be remedied by the landscape installer under the applicable Landscape Warranty, and to set the ending date of the one (1) year Landscape Warranty provided by the landscape installer on such landscaping. A punch list of matters or concerns to be remedied by the landscape installer will be prepared at such walk-through for delivery to the Declarant. Except as provided in such punch list, the inspected landscaping will be deemed to have been accepted by the Association subject to the Landscape Warranty on such landscaping.

ARTICLE 9. EASEMENTS

Section 9.1. *Other Easements.*

In addition to any other easements which may be granted or reserved elsewhere in this Declaration or by law, the following Sections of this Article describe easements to which the Community is or may be subject.

Section 9.2. *Access Easement.*

Each Owner hereby grants: to the Association and the other Owners, and to their agents and employees and contractors, a right and easement on, over, across and through such Owner's Unit for

maintenance, repair, replacement and design review as provided in this Declaration and the Master Declaration; to utility companies, their contractors, agents and employees, for access to, inspection, maintenance, repair and replacement of utility lines, meters and appurtenances; and to the Association for and incidental to enforcement of any term or provision of any of the Governing Documents. If damage is inflicted, or a strong likelihood exists that it will be inflicted, on the Common Elements, any other property, or any Unit, the Owner responsible for the damage or expense to avoid damage, or the Association if it is responsible, is liable for the cost of prompt repair or avoidance. Further, the rights and easements granted in this Section may be exercised only during reasonable hours after reasonable notice to the Owner(s) or occupant(s) of any affected Unit; except that no such notice shall be required in connection with any exterior, non-intrusive maintenance; and except that in emergency situations entry upon a Unit may be made at any time provided that the Owner(s) or occupant(s) of each affected Unit shall be notified of emergency entry as early as is reasonably possible. The interior of any dwelling unit shall not be subject to the easements provided for in this Section.

Section 9.3. *Utilities Easement.*

The Declarant hereby reserves a blanket easement upon, across, over and under the Common Elements for utilities and the installation, replacement, repair and maintenance of utilities, including, but not limited to, water, sewer, gas, telephone, electricity, computer cable, and master television antenna or cable or satellite television systems, if any. By virtue of this blanket easement it shall be expressly permissible to erect and maintain the necessary facilities, equipment and appurtenances on the Common Elements and to affix, repair, and maintain water and sewer pipes, gas, electric, telephone, computer and television wires, cables, circuits, conduits and meters. In the event any utility or quasi-utility company furnishing a service covered by the general easement created herein requests a specific easement by separate recordable document, Declarant reserves and is hereby given the right and authority to grant such easement upon, across, over or under any part or all of the Common Elements without conflicting with the terms hereof; provided, however, that such right and authority in the Declarant shall automatically cease at such time as the Special Declarant Rights terminate as provided in Section 1.25 of this Declaration (Special Declarant Rights), at which time said reserved right shall vest in the Association. The easement provided for in this Section shall in no way affect, avoid, extinguish or modify any other recorded easement(s) on the Common Elements.

Section 9.4. *Easement for Encroachments.*

To the extent that any Improvement on a Unit, or on the Common Elements encroaches on any other Unit or Common Elements, a valid easement for the encroachment exists.

Section 9.5. *Drainage Easement.*

In addition to those easements shown on the plat(s) of the Community, Declarant hereby reserves, to itself and to the Association, easements for drainage and drainage facilities across the five (5) rear and five (5) side feet of each Unit; provided, however, that if a residence or garage is located on any of the areas described in this sentence, then such easement shall be reduced in width to the width of the distance from the nearest lot line of such Unit to the nearest exterior wall of the residence or garage on such Unit. No Improvements shall be placed or permitted to remain on any Unit nor shall any change in grading be permitted to exist which may change the direction of flow

or obstruct or retard the flow of water through channels or swales within such rear and side yard drainage easements. Declarant reserves to itself and to the Association the right to enter in and upon each such rear and side yard drainage easements, at any time, to construct, repair, replace or change drainage structures or to perform such grading, drainage or corrective work as Declarant or the Association may deem necessary or desirable in their sole discretion from time to time; provided, however, that such right and authority in the Declarant shall automatically cease at such time as the Special Declarant Rights terminate as provided in Section 1.25 of this Declaration (Special Declarant Rights), at which time said reserved right shall vest solely in the Association.

Section 9.6. *Easement for Unannexed Property.*

The Declarant hereby reserves, for the use and benefit of the Annexable Area, a non-exclusive, perpetual easement and right of way on, over, across and under the Common Elements for access, ingress and egress and for utilities and the construction, location, erection, installation, storage, maintenance, repair, renovation, replacement and use of any utilities Improvements that may now or hereafter serve the Annexable Area or any portion thereof (herein collectively the "Annexable Area Easement"). By virtue of this Annexable Area Easement, the Declarant generally intends to provide for access and for utilities services to those portion(s) of the Annexable Area which have not been included, from time to time, in the Community pursuant to Section 14.4 of this Declaration (Annexation; Withdrawal). Hence, the Annexable Area Easement shall be in effect for each portion of the Annexable Area, from and after recording of this Declaration, but shall cease to be effective as to each portion of the Annexable Area at such time as both of the following have occurred with respect to such portion of the Annexable Area: annexation of such portion of the Annexable Area to this Declaration; and expiration of the Declarant's right to withdraw such portion of the Annexable Area from this Declaration.

ARTICLE 10. RESTRICTIONS

Section 10.1. *General Plan.*

It is the intention of the Declarant to establish and impose a general plan for the improvement, development, use and occupancy of the Community or portions thereof. The use of individual Units may also be subject to lease terms or other restrictions more restrictive than this Article, which may be adopted by the Owner of such Unit.

Section 10.2. *Restrictions Imposed.*

The Community is subject to the recorded easements, licenses, and other matters listed on Exhibit C attached hereto and incorporated herein by this reference. In addition, the Declarant declares that all of the Community shall be held and shall henceforth be sold, conveyed, used, improved, occupied, owned, resided upon and hypothecated, subject to the following provisions, conditions, limitations, restrictions, agreements and covenants, as well as those contained elsewhere in this Declaration. Further, no immoral, improper, offensive or unlawful use shall be permitted in the Community or any portion thereof. All laws, ordinances and regulations of all governmental bodies having jurisdiction over the Community, or any portion thereof, shall be observed.

Section 10.3. *Residential Use; Certain Permitted Business Activities.*

Subject to Section 14.7 of this Declaration (Declarant's Use), Units shall be used for residential use only, including uses which are customarily incident thereto, and shall not be used at any time for business, commercial or professional purposes. Notwithstanding the foregoing, however, the Owners or tenants of Units may conduct business activities within their homes provided that all of the following conditions are satisfied:

10.3.1. The business conducted is clearly secondary to the residential use of the home and is conducted entirely within the home;

10.3.2. The existence or operation of the business is not detectable from outside of the home by sight, sound, smell or otherwise, or by the existence of one or more signs indicating that a business is being conducted;

10.3.3. The business does not result in an undue volume of traffic or parking within the Community, which determination may be made by the Executive Board in its sole discretion from time to time;

10.3.4. The business conforms to all zoning requirements and is lawful in nature; and

10.3.5. The business conforms to any rules and regulations and policies and procedures that may be imposed by the Executive Board from time to time.

Section 10.4. *Household Pets.*

No animals, livestock, birds, poultry, reptiles or insects of any kind shall be raised, bred, kept or boarded in the Community; provided, however, that the Owners of each Unit may keep a reasonable number of bona fide household pets (including dogs, cats or other domestic animals), so long as such pets are not kept for any commercial purpose and are not kept in such number or manner as to create a nuisance to any resident of the Community. The Association shall have, and is hereby given, the right and authority to: set a size or poundage limit on pets; regulate the type(s) of pets that are permitted to be kept; determine in its sole discretion that one or more dogs, cats or other household pets are being kept for commercial purposes or are being kept in such number or in such manner as to be unreasonable or to create a nuisance; determine that an Owner is in violation of the leash laws of the applicable jurisdiction or other applicable governmental laws, ordinances, or other provisions related to pets; or determine that an Owner is otherwise in violation of the provisions of this Section, and to take such action(s) as it may deem appropriate to correct the same. An Owner's right to keep household pets shall be coupled with the responsibility to pay for any damage caused by such pets, as well as any costs incurred by the Association as a result of such pets, and any such costs and damages shall be subject to all of the Association's rights with respect to the collection and enforcement of Assessments as provided in Article 4 of this Declaration (Assessments).

Section 10.5. *Temporary Structures; Unsightly Conditions.*

Except as hereinafter provided, no structure of a temporary character, including, but not limited to, a house trailer, tent, shack, storage structure, or outbuilding shall be placed or erected in

the Community (except by the Association on the Common Elements); provided, however, that during the actual construction, alteration, repair or remodeling of a structure or other Improvements, necessary temporary structures for storage of materials may be erected and maintained by the Declarant or Person doing such work. The work of constructing, altering or remodeling any structure or other Improvements shall be prosecuted diligently from the commencement thereof until the completion thereof. Further, no unsightly conditions, structures, facilities, equipment or objects shall be so located in the Community so as to be visible from a street or from any other portion of the Community.

Section 10.6. *Miscellaneous Improvements.*

10.6.1. No advertising or signs of any character shall be erected, placed, permitted, or maintained on any Unit other than a name plate of the occupant and a street number, and except for a "For Sale," "Open House," "For Rent," or security sign of not more than five (5) square feet in the aggregate; and such other signs, for such length(s) of time, which have the prior written approval of the Committee or are otherwise expressly permitted by law. Notwithstanding the foregoing, reasonable signs, advertising, or billboards used by the Declarant in connection with the sale or rental of the Unit(s) or otherwise in connection with development and construction, shall be permissible.

10.6.2. No clotheslines, chain-linked dog runs, drying yards, service yards, wood piles or storage areas shall be permitted in the Community.

10.6.3. No type of refrigerating, cooling or heating apparatus shall be permitted on a roof. Further, no such apparatus shall be permitted elsewhere, except when approved by the Design Review Committee in accordance with Article 5 of this Declaration, and by the Master Association Architectural Control Committee in accordance with Article VIII of the Master Declaration. Without limiting the foregoing, conventional air conditioning units located on the ground of a Unit are permissible when approved in accordance with the preceding sentence.

10.6.4. Except as may otherwise be permitted by the Design Review Committee, no exterior radio antenna, television antenna, or other antenna, satellite dish, or audio or visual reception device of any type shall be placed, erected or maintained on any Unit, except inside a residence or otherwise concealed from view; provided, however, that any such devices may be erected or installed by the Declarant during sales or construction; and provided further, however, that the requirements of this subsection shall be subject to the Telecommunications Act of 1996 and applicable regulations, as amended from time to time.

10.6.5. No fences shall be permitted unless first approved in writing by the Design Review Committee, except such fences as may be constructed, installed or located by the Declarant in its development or construction of Improvements in the Community.

10.6.6. No wind generators shall be constructed, installed, erected or maintained in the Community.

10.6.7. This Section 10.6 shall be construed and applied in accordance with all applicable laws, including without limitation the Act.

Section 10.7. *Vehicular Parking, Storage and Repairs.*

10.7.1. No house trailer, camping trailer, boat trailer, hauling trailer, boat, or accessories thereto, truck (larger than 1 ton), motor home, snowmobile, jet ski, all terrain vehicle, self-contained motorized recreational vehicle, or other type of commercial or recreational vehicle or equipment, may be parked or stored in the Community, or parked or stored elsewhere in such a manner as to be visible from the ground level of any Unit, unless such parking or storage is entirely within the garage on a Unit, except that any such vehicle may be otherwise parked as a temporary expedient for loading, delivery, or emergency. This restriction, however, shall not restrict trucks or other commercial vehicles which are necessary for construction or for the maintenance of any portion of the Community or any Improvements located thereon. For the purposes of this Section, "temporary expedient" shall mean a period of time not to exceed forty-eight (48) hours or such lesser or greater time period as the Executive Board may determine from time to time in its sole discretion.

10.7.2. Except as hereinabove provided, no abandoned or inoperable automobiles or vehicles of any kind shall be stored or parked in the Community. An "abandoned or inoperable vehicle" shall be defined as any automobile, truck, motorcycle, or other similar vehicle, which has not been driven under its own propulsion for a period of seventy-two (72) hours or longer, or which does not have an operable propulsion system installed therein, or which is not then currently licensed and registered; provided, however, that otherwise permitted vehicles parked by Owners while on vacation (for a maximum of two (2) weeks) or during a period of illness shall not be deemed to be abandoned.

10.7.3. In the event the Association shall determine that a vehicle is parked or stored in violation of subsections 10.7.1 or 10.7.2 of this Section, then a written notice of such violation describing said vehicle shall be delivered personally (including delivery by telefax) or by United States mail, first class postage prepaid, to the Owner of the Unit, and if the vehicle is not removed within a reasonable time thereafter, as determined by the Association in its sole discretion from time to time, a written notice stating that the vehicle will be towed shall be delivered personally to the owner of such vehicle (if such owner can be reasonably ascertained) or shall be conspicuously placed upon the vehicle (if the owner thereof cannot be reasonably ascertained) and the Association shall have the right to remove the vehicle at the sole expense of the owner of such vehicle.

10.7.4. No activity such as, but not limited to, maintenance, repair, rebuilding, dismantling, repainting or servicing of any kind of vehicles, trailers or boats, may be performed or conducted in the Community unless it is done within a completely enclosed structure(s) which screen the sight and sound of the activity from the Units and Common Elements. The foregoing restriction shall not be deemed to prevent, on a Unit, washing and polishing of any motor vehicle, boat, trailer, motor-driven cycle, or other vehicle, together with those activities normally incident and necessary to such washing and polishing.

10.7.5. The Town of New Castle shall have the right, but not the obligation, to enforce the provisions of this section. However, this provision does not give the Town the right to charge the Association for performing this service.

10.7.6. This Section 10.7 shall be construed and applied in accordance with all applicable laws, including without limitation the Act.

Section 10.8. *Nuisances.*

No nuisance shall be permitted in the Community nor any use, activity or practice which is a source of annoyance or embarrassment to, or which offends or disturbs the occupant of any Unit or which interferes with the peaceful enjoyment or possession and proper use of any Unit, or any portion thereof. As used herein, the term "nuisance" shall include each violation of the Governing Documents, but shall not include any activities of Declarant which are incidental to the development and construction of, and sales activities in, the Community. No noxious or offensive activity shall be carried on in the Community nor shall anything be done or placed in the Community which is or may become a nuisance or cause embarrassment, disturbance or annoyance to others. The Town of New Castle shall have the right, but not the obligation, to enforce the provisions of this paragraph. However, this provision does not give the Town the right to charge the Association for performing this service.

Section 10.9. *No Hazardous Activities; No Hazardous Materials or Chemicals.*

No activities shall be conducted in the Community, or within Improvements constructed in the Community, which are or might be unsafe or hazardous to any natural person or property. Without limiting the generality of the foregoing, no firearms shall be discharged and no open fires shall be lighted or permitted except in a contained barbecue unit while attended and in use for cooking purposes or within an interior fireplace, except that outdoor fire pits will be permitted if the same are in compliance with all applicable laws, ordinances and regulations. Further, no hazardous materials or chemicals shall at any time be located, kept or stored, in, on or at any Unit, except such as may be kept in such limited quantities so as to not constitute a hazard or danger to any natural person or property and in accordance with all applicable laws, ordinances and regulations regarding allowable quantities of hazardous materials or chemicals. The Town of New Castle shall have the right, but not the obligation, to enforce the provisions of this paragraph. However, this provision does not give the Town the right to charge the Association for performing this service.

Section 10.10. *No Annoying Light, Sounds or Odors.*

No light shall be emitted which is unreasonably bright or causes unreasonable glare; no sound shall be emitted which is unreasonably loud or annoying; and no odor shall be permitted which is noxious or offensive to others. Any exterior lighting installed or maintained on a Unit or Improvements(s) shall either be indirect or of such controlled focus and intensity so as not to disturb the residents of any adjacent or nearby property. Further, no annoying light, sound or odor shall be permitted which may be seen, heard or smelled.

Section 10.11. *Restrictions on Trash and Materials.*

No refuse, garbage, trash, lumber, grass, shrubs or tree clippings, plant waste, metal, bulk materials, scrap or debris of any kind shall be kept, stored, or allowed to accumulate except inside a

structure on any Unit nor shall any such items be deposited on a street, unless placed in a suitable, tightly-covered container that is suitably located solely for the purpose of garbage pickup; provided, however, that no such container may be visible from any other Unit or the Common Elements except on the day of garbage pickup. Further, no trash or materials shall be permitted to accumulate in such a manner as to be visible from any Unit. All equipment for the storage or disposal of trash shall be kept in a clean and sanitary condition. No garbage or trash cans or receptacles shall be maintained in an exposed or unsightly manner. Trash removal is the responsibility of each Owner. However, the Association may, at the election of the Executive Board, provide trash removal services for any portions of the Community. The scope of trash removal services that may be provided by the Association may be determined by the Executive Board in its sole discretion (e.g., the Board may elect to provide and use Assessments to pay for all regularly scheduled trash pickups, but require each Owner to be responsible for scheduling, and paying for, any extraordinary trash pick-ups and/or recycling services). The Town of New Castle shall have the right, but not the obligation, to enforce the provisions of this paragraph. However, this provision does not give the Town the right to charge the Association for performing this service.

Section 10.12. *Units to Be Maintained.*

Subject to Section 10.5 of this Declaration (Temporary Structures; Unsightly Conditions), each Unit shall at all times be kept in a clean, sightly and wholesome condition by the Owner of such Unit. No trash, litter, junk, boxes, containers, bottles, cans, implements or machinery shall be permitted to remain upon any Unit except as necessary during the period of construction or as provided in Section 10.11 of this Declaration (Restrictions on Trash and Materials).

Section 10.13. *Leases.*

The term "lease," as used herein, shall include any agreement for the leasing or rental of a Unit, Improvements thereon, or any portion thereof, and shall specifically include, without limitation, any subleases. Any Owner shall have the right to lease his Unit, or any portion thereof, under the following conditions:

10.13.1. All leases shall be in writing, and notice of the lease, including the name of the tenant(s) and the duration of the lease, shall be delivered to the Executive Board or the Association's managing agent, if any, within thirty (30) days after such lease has been signed by the lessor and the lessee; and

10.13.2. All leases shall provide that the terms of the lease and lessee's occupancy of the leased premises shall be subject in all respects to the Governing Documents; and that any failure by the lessee to comply with any of the aforesaid documents, in any respect, shall be a default under the lease; and

10.13.3. All leases shall be for a term of no less than six (6) months.

Section 10.14. *Restrictions on Mining or Drilling.*

No property within the Community shall be used for the purpose of mining, quarrying, drilling, boring or exploring for or removing oil, gas or other hydrocarbons, minerals, rocks, stones, gravel or earth.

Section 10.15. *Raw Water (Non-Potable Water)*

10.15.1. The Declarant is providing a raw water system of non-potable water ("Raw Water") for irrigation in the Community. Raw Water should not be used as drinking water or for any use which might result in consumption of the same. Each Owner is solely responsible for any adverse consequences or reaction from consumption of any Raw Water by the Owner, a member of the Owner's family, a tenant, a guest, or invitee of such Owner, or any animal(s) (such as dogs or cats) for which such Owner is responsible. The Declarant, Association, Board of Directors, and the Town of New Castle, Colorado ("Town"), and their respective officers, directors, members, partners, agents and employees, shall have no responsibility for the safety of any Persons or property with respect to Raw Water and hereby disclaim any such responsibility. The waiver and release set forth in Section 14.18 of this Declaration shall apply to this Section 10.15.

10.15.2. Any outside use of potable water is strictly prohibited. This restriction on use applies when the Raw Water system is operational and during periods, not to exceed three (3) days when the Raw Water system is shut down for maintenance or repair purposes. If the Raw Water system is shut down for a period exceeding three (3) days, then users may commence outside use of potable water, subject to payment for such use pursuant to the Town's potable water rates; provided, however, that any outside use of potable water must stop and shall be prohibited once the Raw Water system becomes operational again and provided, further, that the period of outside use of potable water shall not exceed thirty (30) days in duration.

10.15.3. The provisions of this Section 10.15 regarding Raw Water may not be revoked, amended or modified without the Town's consent and approval .

Section 10.16. *Compliance with Master Declaration and Master Association Architectural Control Committee.*

All Owners and any other Persons who reside upon or use any portion of the Community shall comply with all terms and provisions of the Master Declaration, the Articles of Incorporation, Bylaws and rules and regulations of the Master Association, as the same may be promulgated, enacted, adopted, amended, interpreted, repealed, reenacted, and enforced, from time to time. Without limiting the generality of the foregoing, all Owners and other Persons who reside upon or use any portion of the Community shall comply with all submission, processing, and other requirements of the Master Association Architectural Control Committee, and the terms and provisions of the Master Declaration, the Articles of Incorporation, Bylaws and rules and regulations of the Master Association.

ARTICLE 11. PARTY WALLS

Section 11.1. *Definition.*

For purposes of this Article, "Party Wall" means: any wall which is part of the original construction of the structures located on the Lots as such wall(s) may be repaired or reconstructed from time to time, is placed on or immediately adjacent to a Lot's lot line, and separates two (2) or more structures as a common wall. Without limiting the generality of the foregoing, "Party Wall"

includes any two walls which meet the foregoing criteria and which are separated by a small amount of air space.

Section 11.2. *General Rules of Law to Apply.*

To the extent not inconsistent with the provisions of this Article, the general rules of law regarding Party Walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 11.3. *Sharing of Repair and Maintenance.*

The cost of reasonable repair and maintenance of a Party Wall shall be shared equally by the Members of the two Lots on either side of the Party Wall, except as otherwise provided in this Declaration; provided, however, that the cost of repair and replacement of the finished surface of a Party Wall that is located within a residence shall be at the sole cost and expense of the Owner of the Lot on which such residence is located.

Section 11.4. *Destruction by Fire or Other Casualty.*

If a Party Wall is destroyed or damaged by fire or other casualty, any Owner of a Lot on which such Party Wall is or was located may restore it. Except as otherwise provided in this Declaration, the Members of the Lots that share such Party Wall shall share equally the costs and expenses of such restoration. Without limiting the generality of the foregoing, any Member may call for a larger contribution from one or more others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 11.5. *Weatherproofing.*

Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes a Party Wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 11.6. *Right to Contribution Runs with Land.*

The right of any Member to contribution from any other Member under this Article shall be appurtenant to and run with the land and shall pass to such Member's successors in title to the Lot to which such Member's membership pertains.

Section 11.7. *Rights of Owners.*

The Owners of each Lot with a Party Wall shall have the following rights:

11.7.1. A perpetual and reciprocal easement in and to that part of the adjacent Lot on which such Party Wall is located, for Party Wall purposes only, including mutual support, maintenance, repair and inspection. For the purposes of repairing or maintaining a Party Wall, the Owners of each Lot with a Party Wall are granted the right to enter onto the adjacent Lot which has the same Party Wall and to go inside any residence or other Improvements thereon to do work necessary in the exercise of rights provided herein at all

reasonable times after reasonable notice to the occupants of such adjacent Lot, or immediately in the event of an emergency.

11.7.2. After reasonable notice to the occupants of the adjacent Lot on which a Party Wall is located, the Owner of a Lot which has such Party Wall thereon shall have the right to break through an appurtenant Party Wall for the purposes of repairing or restoring sewer, water, or other utilities located within such Party Wall, subject to the obligation to restore such Party Wall to its previous structural condition at the sole cost and expense of the Owner who effectuates such breakage.

Section 11.8. *Arbitration.*

In the event of any dispute arising concerning a Party Wall, under the provisions of this Article, such dispute shall be resolved as follows unless such dispute is subject to Article 13 of this Declaration (Dispute Resolution): each party shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision shall be by a majority of all the arbitrators. Should any party fail or refuse to appoint an arbitrator within ten (10) days after written request therefor by the Member with whom such party shares a Party Wall, the Board shall select an arbitrator for the refusing party. The parties to the arbitration shall share the costs thereof, but each party shall pay its own attorneys' fees.

ARTICLE 12. PROPERTY RIGHTS IN THE COMMON ELEMENTS

Section 12.1. *Owners' Easements of Enjoyment.*

Subject to this Declaration, every Owner shall have a non-exclusive right and easement for the purpose of access to such Owner's Unit and for use for all other purposes, in and to the Common Elements, and such easement shall be appurtenant to and shall pass with the title to every Unit.

Section 12.2. *Extent of Owners' Easements.*

Subject to the other provisions of this Declaration, the rights and easements of enjoyment created hereby are subject to the following: the Common Elements may not be used in any manner which violates the statutes, rules, or regulations of any governmental authority with jurisdiction over the Common Elements; and no Owner (other than Declarant as provided in this Declaration) may place any structure on the Common Elements. In addition, such rights and easements are subject to the following rights of the Association:

12.2.1. The right of the Association to borrow money for the purpose of improving the Common Elements and to mortgage said property as security for any such loan; provided, however, that the Association may not subject any portion of the Common Elements to a Security Interest except in accordance with the Act; and

12.2.2. The right of the Association to take such steps as are reasonably necessary to protect the Common Elements against foreclosure; and

12.2.3. The right of the Association to promulgate and publish standards, guidelines, rules and regulations or policies and procedures, with which each Member shall strictly comply; and

12.2.4. The right of the Association to suspend the voting rights of a Member for any period during which any Assessment against such Member's Unit or any other amounts due from such Member to the Association remains unpaid and, for a period not to exceed sixty (60) days, for any infraction of the Governing Documents; and

12.2.5. The right of the Association to dedicate or transfer all or any part of the Common Elements to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members, provided that no such dedication or transfer shall be effective unless the same is done in accordance with the Act. Notwithstanding the foregoing, the granting of permits, licenses and easements for utilities, roads or for other purposes reasonably necessary or useful for the proper maintenance or operation of the Community shall not be deemed a transfer within the meaning of this subsection; and

12.2.6. The right of the Association, through its Executive Board, to enter into, make, perform or enforce any contracts, leases, agreements, licenses, easements and rights-of-way, for the use of real property or Improvements by Owners, other Persons, their family members, guests and invitees, for any purpose(s) the Executive Board may deem to be useful, beneficial or otherwise appropriate; and

12.2.7. The right of the Association to close or limit the use of the Common Elements while maintaining, repairing and making replacements in the Common Elements.

Section 12.3. *Use of Common Elements by Declarant.*

An easement is hereby granted to the Declarant and the Town of New Castle on, over, across, under and through the Common Elements as may be reasonably necessary for the purpose of discharging any of Declarant's obligations or exercising any Special Declarant Rights or other rights of the Declarant and to permit the Town to enforce the selected provisions of these regulations, and no Owner shall engage in any activity which will temporarily or permanently interfere with the Declarant's and Town's easements through the Common Elements.

Section 12.4. *Payment of Taxes or Insurance by Security Interest Holders.*

Security Interest Holders shall have the right, jointly or singly, to pay taxes or other charges or assessments which are in default and which may or have become a lien against the Common Elements and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common Elements, and any Security Interest Holders making any such payments shall be owed immediate reimbursement therefor from the Association.

Section 12.5. *Conveyance or Encumbrance of Common Elements.*

Portions of the Common Elements may be conveyed or subjected to a Security Interest by the Association only in accordance with the Act and this Declaration.

The Common Elements owned by the Association is not dedicated hereby for use by the general public.

Section 12.7. *Duty to Accept Property and Facilities Transferred by Declarant.*

The Association shall accept title to all property and Common Elements, including Improvements thereon, as well as personal property, equipment, and easements, transferred to the Association by the Declarant, together with responsibility to perform all duties and functions of the Association which are set forth in this Declaration or otherwise assumed by the Association. As of the date of recording of this Declaration, interests which may be transferred by the Declarant to the Association may consist only of easements and/or Common Elements in the property described on the attached Exhibit A, Exhibit B, and/or the Annexable Area.

ARTICLE 13. DISPUTE RESOLUTION

Section 13.1. *Intent of Article; Applicability of Article; and Applicability of Statutes of Limitation.*

13.1.1. Each Party (as defined below) agrees to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Party covenants and agrees to submit all Claims (as defined below) each alleges to have to the procedures set forth in this Article and not to a court of law.

13.1.2. By acceptance of a deed to a Unit, each Owner agrees to abide by the terms of this Article.

13.1.3. No Claim (as defined below) may be initiated after the date when institution of legal or equitable proceedings based on such Claim would be barred by the applicable statute of limitation or statute of repose.

Section 13.3. *Approval Required for Association Actions.*

Except as provided in Section 13.6 of this Declaration (Exclusions from "Claim"), the approval of eighty percent (80%) of a quorum (as provided in Section 13.4 of this Declaration (Notice and Quorum for Association Actions)) of the Association votes cast by Members voting in person or by proxy at a meeting duly called for this purpose, or voting pursuant to written ballot, must be obtained before the Association shall have the power to institute action on any Claim pursuant to this Article, or to make any counterclaim or cross-claim in any lawsuit or other action brought against the Association. Such approval must be obtained in accordance with the requirements of Section 13.4 of this Declaration (Notice and Quorum for Association Actions).

Each written proxy, and each ballot, which purports to vote on, or authorize a vote on, approval of the Association bringing a Claim shall contain the following statement:

Section 13.6. *Exclusions from "Claim".*

Unless specifically exempted by this Article, all Claims between any of the Parties shall be subject to the provisions of this Article. Notwithstanding the foregoing, unless all Parties thereto otherwise agree, "Claim" does not include the following, whether such are brought by lawsuit, counterclaim, cross-claim, mediation, arbitration or in any other manner, and the same shall not be subject to the provisions of this Article:

13.6.1. An action by the Association to enforce any provision of Article 4 of this Declaration (Assessments); and

13.6.2. An action by the Association to obtain a temporary restraining order or injunction (or equivalent emergency equitable relief) and such other ancillary relief as the Association or court may deem necessary in order to enforce any of the provisions of Article 10 (Restrictions) or Article 5 (Design Review) of this Declaration, or Article VIII

(Architectural Control Committee) or Article XII (Restrictions) of the Master Declaration; and

13.6.3. Any action between or among Owners, which does not include Declarant, the Master Declarant, the Master Association, or the Association as a party, if such suit asserts a Claim which would constitute a cause of action independent of the Governing Documents; and

13.6.4. Any action in which any indispensable party is not a Party, as defined in this Article.

Section 13.7. *Right to Inspect.*

Prior to any Party commencing any proceeding against another Party, including but not limited to an alleged defect of any Improvement, the Respondent shall have the right to be heard by the Claimant and, if any Claimant is the Association, by the Members, and to access, inspect, correct the condition of, or redesign any portion of any Improvement as to which a defect is alleged or otherwise correct the alleged dispute; provided, however, any correction to, or redesign of, an Improvement shall be made upon terms and conditions acceptable to all affected Parties. In the exercise of the inspection rights contained herein, the inspecting Party shall:

13.7.1. Be careful to avoid unreasonable intrusion upon, or harm, damage or costs to the affected Party including, without limitation, using its best efforts to avoid causing any damage to, or interference with, any Improvements to the subject property;

13.7.2. Minimize any disruption or inconvenience to any person who occupies the subject property;

13.7.3. Remove daily all debris caused by the inspection and located on the subject property; and

13.7.4. In a reasonable and timely manner, at the sole cost and expense of the inspecting Party, promptly remove all equipment and materials from the subject property and repair and replace all damage, and restore the subject property to the condition of the subject property as of the date of the inspection unless the subject property is to be immediately repaired.

The inspecting Party shall not permit any lien, claim or other encumbrance arising from the exercise of its right to inspect to accrue against or attach to the subject property. The inspecting Party shall indemnify, defend, and hold harmless the affected Owners and their tenants, guests, employees and agents, against any and all liability, claims, demands, losses, costs and damages incurred, including court costs and attorneys' fees, resulting from any breach of this Section by the inspecting Party.

Section 13.8. *Mandatory Procedures.*

13.8.1. *Good Faith Negotiations.* The Parties shall make every reasonable effort to meet in person and confer for the purposes of resolving the Claim by good faith

negotiation. Any Party may be represented by attorneys and independent consultants to assist such Party in negotiations and to attend meetings.

13.8.2. *Notice.* Prior to proceeding with any Claim against a Respondent, each Claimant shall give a notice to each Respondent, which notice shall state plainly and concisely:

13.8.2.1. the nature of the Claim, including all persons involved and Respondent's role in the Claim;

13.8.2.2. the legal or contractual basis of the Claim (i.e., the specific authority out of which the Claim arises); and

13.8.2.3. the specific relief and/or proposed remedy sought.

13.8.3. *Mediation.*

13.8.3.1. If the Parties do not resolve the Claim through negotiations within thirty (30) days after submission of the Claim to the Respondent(s), Claimant shall have an additional thirty (30) days to submit the Claim to mediation under the auspices of the AAA in accordance with the AAA's Commercial or Construction Industry Mediation Rules, as appropriate.

13.8.3.2. If Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation, Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge Respondent from any liability to any Person other than the Claimant.

13.8.3.3. Any settlement of the Claim through mediation shall be documented in writing by the mediator and signed by the Parties. If a Termination of Mediation occurs, the mediator shall issue a notice of Termination of Mediation. The Termination of Mediation notice shall set forth that the Parties are at an impasse and the date that mediation was terminated.

13.8.3.4. Each Party shall bear its own costs of the mediation, including attorneys' fees, and each Party shall share equally all charges rendered by the mediator.

13.8.3.5. If the Parties agree to a resolution of any Claim through negotiation or mediation in accordance with subsection 13.8.3 and any Party thereafter fails to abide by the terms of such agreement, then any other Party may file suit or initiate arbitration proceedings to enforce such agreement without the need to again comply with the procedures set forth in Section 13.8 of this Declaration (Mandatory Procedures). In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or if more than one non-complying Party, from all such Parties pro rata) all costs

incurred in enforcing such agreement, including without limitation, attorneys' fees and court costs.

13.8.4. *Binding Arbitration.*

13.8.4.1. Upon Termination of Mediation, if Claimant desires to pursue the Claim, Claimant shall thereafter be entitled to initiate final, binding arbitration of the Claim under the auspices of the AAA in accordance with the AAA's Commercial or Construction Industry Arbitration Rules, as appropriate. Any judgment upon the award rendered by the arbitrator may be entered in and enforced by any court having jurisdiction over such Claim. Unless otherwise mutually agreed to by the parties to the Claim, there shall be one arbitrator who, to the extent feasible, shall have expertise in the area(s) of dispute, which may include legal expertise if legal issues are involved.

13.8.4.2. Each Party shall bear its own costs and expenses and an equal share of the arbitrator's and administrative fees of arbitration. Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the arbitrator or the court shall award reasonable attorneys' fees and expenses incurred in defending such contests, including those incurred in trial or on appeal, to the non-contesting Party. All decisions respecting the arbitrability of any Claim shall be decided by the arbitrator.

13.8.4.3. The award of the arbitrator shall be accompanied by detailed written findings of fact and conclusions of law. Except as may be required by law or for confirmation of an award, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of all Parties to the Claim.

Section 13.9. *Liability for Failure of Association to Maintain an Action.*

No director or officer of the Association shall be liable to any Person for failure to institute or maintain or bring to conclusion a cause of action, mediation or arbitration for a Claim if the following criteria are satisfied: (a) the director or officer was acting within the scope of such director's or officer's duties; (b) the director or officer was not acting in bad faith; and (c) the act or omission was not willful, wanton or grossly negligent.

ARTICLE 14. GENERAL PROVISIONS

Except as otherwise provided in this Declaration, the Association and any aggrieved Owner shall have the right to institute, maintain and prosecute any such proceedings subject to Article 13 of this Declaration (Dispute Resolution). Remedies for violation(s) of the Governing Documents shall be cumulative and no remedy shall be exclusive of other

remedies that may be available. In any action instituted or maintained under any of such documents, the prevailing party shall be entitled to recover its costs and attorney fees incurred in asserting or defending the claim, as well as any and all other sums. Failure by the Association or any Owner to enforce any covenant, restriction or other provision herein contained, or any other provision of any of the Governing Documents, shall in no event be deemed a waiver of the right to do so thereafter.

14.1.2. Subject to the following sentence, the Association shall have the right to levy and collect fines (as provided in Article 4 of this Declaration (Assessments)) for the violation of any provision of any of the Governing Documents. Prior to collection of any fines, the Association, the Executive Board, or an authorized management company of the Association, shall mail a notice of violation to the Person(s) alleged to be in violation of any such provision and such notified Person(s) has a right to a hearing upon submission to the Executive Board of a written request for hearing, which is properly signed by such Person(s) and dated, within ten (10) days after the notice of violation has been mailed or such other time as the Executive Board may decide in its sole discretion from time to time; failure of a notified Person to request a hearing in writing within the required time period shall constitute a waiver of such right to a hearing.

14.1.3. In addition, as identified herein, the Town of New Castle has the right, but not the obligation, to enforce certain provisions of this Declaration.

Section 14.2. *Severability.*

All provisions of this Declaration, the Articles of Incorporation and Bylaws of the Association are severable. Invalidation of any of the provisions of any such documents, including without limitation any provision(s) of Article 13 of this Declaration (Dispute Resolution), by judgment, court order or otherwise, shall in no way affect or limit any other provisions which shall remain in full force and effect.

Section 14.3. *Conflict of Provisions.*

In case of any conflict between this Declaration, the Articles of Incorporation or Bylaws of the Association and the Master Declaration, the Master Declaration shall control. In case of any conflict between this Declaration and the Articles of Incorporation or Bylaws of the Association, this Declaration shall control. In case of any conflict between the Articles of Incorporation and the Bylaws of the Association, the Articles of Incorporation shall control.

Section 14.4. *Annexation; Withdrawal.*

14.4.1. Until ten (10) years after recording of this Declaration in the office of the Clerk and Recorder of Garfield County, Colorado, the Declarant may annex to this Declaration the Annexable Area or any portion(s) thereof, without the consent of any other Owners, Security Interest Holders, or any other Person; however, each such annexation is subject to a determination by HUD or VA (if the Declarant desires to attempt to obtain HUD or VA approval of the property being annexed, and if HUD or VA require such approval) that the annexation is in accord with the general plan approved by them and that the structures to be located thereon will be of comparable style, quality, size and cost to the

existing Improvements. Each annexation shall be effected, if at all, by recording one or more Annexations of Additional Land in the Office of the Clerk and Recorder of the county in which the annexed property is located, which document:

14.4.1.1. shall provide for annexation to this Declaration of the property described in such Annexation of Additional Land;

14.4.1.2. shall identify the owner(s) of the Units thereby created, if any;

14.4.1.3. shall assign an identifying number to each new Unit, if any;

14.4.1.4. shall describe any Common Elements within the property being annexed;

14.4.1.5. shall, if the annexed property includes one (1) or more Units, reallocate the Allocated Interests; and

14.4.1.6. may include such other provisions as the Declarant deems appropriate. Other provisions that may be included in an Annexation of Additional Land include, without limitation, covenants, conditions, restrictions, requirements and/or other provisions, in addition to or different from those contained elsewhere in this Declaration, that apply or will apply to some or all of the property that is thereby being annexed to this Declaration. Any of such other provisions referenced in the preceding sentence may be amended with the consent of the Owners of sixty-seven percent (67%) of the Units to which such other provisions apply.

14.4.2. Except as otherwise specifically stated in the Annexation of Additional Land, all provisions of this Declaration, including, but not limited to (as to Units), those provisions regarding obligations to pay Assessments to the Association and any right to cast votes as Members, shall apply to annexed property immediately upon the effective date of the Annexation of Additional Land or other document of annexation (which shall constitute the date of recording of the Annexation of Additional Land or other annexation document, unless otherwise stated therein).

14.4.3. Subsequent to the date of recording hereof, each Person who acquires any property within the Annexable Area after the date of recording thereof will have agreed, pursuant to applicable documents, that such property will be governed by this Declaration effective on the date of conveyance of such property to such Person, if the Declarant annexes such property to this Declaration in accordance with this Section. Therefore, the Declarant reserves the right (but not the obligation), during the time period set forth in Section 14.4.1 of this Declaration, to annex such property to the Declaration without further authorization from the Person who has acquired such property, even if such annexation occurs subsequent to conveyance of such property to such Person.

14.4.4. Each annexation to this Declaration, if any, shall be deemed to constitute an amendment to this Declaration.

14.4.5. Each portion of real property and Improvements (if any) now or hereafter subject to this Declaration, by annexation or otherwise, shall be subject to a right

of withdrawal by the Declarant. Without limiting the generality of the foregoing, the real property and Improvements (if any) which are described on the attached Exhibit A, the real property and Improvements (if any) described on the attached Exhibit B, as well as the real property (and Improvements, if any) described in each Annexation of Additional Land or each other annexing document, shall each be deemed a separate portion of real property and Improvements that are subject to a right of withdrawal. The withdrawal of any such separate portion(s) may be accomplished, if at all, in accordance with the Act. However, the Declarant's right to withdraw each such separate portion of the Community shall expire and terminate, as to each separate portion of the Community, no later than the automatic termination of the Special Declarant Rights as provided in Section 1.25 hereof (Special Declarant Rights).

Section 14.5. *Minor Violations of Setback Restrictions.*

If upon the erection of any structure, it is disclosed by survey that a minor violation or infringement of setback lines has occurred, such violation or infringement shall be deemed waived by the Owners of each Unit immediately adjoining the structure which is in violation of the setback, and such waiver shall be binding upon all other Owners. However, nothing contained in this Section shall prevent the prosecution of a suit for any other violation of the restrictions, covenants, or other provisions contained in this Declaration. A "minor violation," for the purpose of this Section, is a violation of not more than four (4) feet beyond the required setback lines or Unit lines. This provision shall apply only to the original structures and shall not be applicable to any alterations or repairs to, or replacements of, any of such structures.

Section 14.6. *Subdivision or Replatting of Units.*

The Declarant, subject to the review and approval by the Town of New Castle, hereby reserves the right to subdivide or replat any Unit(s) owned by the Declarant. A subdivision or replatting may change the number of Units in the Community. Without limiting the generality of the foregoing, the Declarant reserves the right to move any lot lines(s) on Unit(s) owned by the Declarant, for the purpose of accommodating Improvements which are constructed or are planned to be constructed. The rights provided for in this Section shall terminate automatically as provided in Section 1.25 of this Declaration (Special Declarant Rights). No Unit may be further subdivided from that existing at the time such Unit becomes subject to this Declaration, except by Declarant.

Section 14.7. *Declarant's Use.*

Notwithstanding anything to the contrary contained in this Declaration, it shall be expressly permissible and proper for the Declarant, its employees, agents, and contractors, to perform such reasonable activities, and to maintain upon portions of the Units and the Common Elements such facilities as the Declarant deems appropriate, specifically including, without limiting the generality of the foregoing, maintaining signs, sales offices, management offices, model units and construction offices in such numbers, of such sizes, and at such locations as the Declarant determines in its reasonable sole discretion from time to time. Nothing contained in this Declaration shall limit the rights of the Declarant to conduct all construction, sales, and marketing activities as the Declarant deems necessary or desirable and to use the easements provided in this Declaration for those and other purposes. Further, nothing contained in this Declaration shall limit the rights of the Declarant or require the Declarant to obtain approvals: (a) to excavate, cut, fill or

grade any property or to construct, alter, demolish or replace any Improvements; (b) to use any Improvements on any property as sales offices, management offices, model units and/or construction offices in connection with the development, construction or sale of any property; and/or (c) to require the Declarant to seek or obtain the approval of the Design Review Committee, the Executive Board, the Association or the Master Association for any such activity. Any real estate used as a sales office, management office, model unit, or for the location of a trailer used as a construction or sales office, shall be a Unit or Common Elements, as such property is now or hereafter designated in one or more recorded documents. The rights provided for in this Section shall terminate automatically upon termination of the Special Declarant Rights, as provided in Section 1.25 of this Declaration.

Section 14.8. *Duration, Revocation, and Amendment.*

14.8.1. Each and every provision of this Declaration shall run with and bind the land perpetually from the date of recording of this Declaration. Except as otherwise provided in this Declaration (including, without limitation, Section 10.15, Section 14.4, and subsection 14.8.2 and 14.8.3 of this Declaration), this Declaration may be amended by the affirmative vote or agreement of Members holding at least sixty-seven percent (67%) of the Allocated Interests; provided, however, prior to termination of the Special Declarant Rights, including without limitation the right to exercise any Development Rights, no amendment of this Declaration shall be effective without the prior written approval of the Declarant. Further, each amendment of this Declaration enacted by the Members shall be applicable only to disputes, issues, circumstances, events, claims or causes of action that arose out of circumstances or events that occurred after the date of recording of such amendment in all Counties in which any portion of the Community is located; and no such amendment shall be applied retroactively to any earlier occurring disputes, issues, events, circumstances, actions, claims or causes of action.

14.8.2. Notwithstanding anything to the contrary, this Declaration, the Articles of Incorporation and/or Bylaws of the Association may be amended in whole or in part, at any time from time to time, by the Declarant without the consent or approval of any other Owner, any Security Interest Holder, or any other Person, in order to comply with the requirements, standards, or guidelines of any of the Agencies or of recognized secondary mortgage markets.

14.8.3. Notwithstanding anything to the contrary, this Declaration, the Articles of Incorporation and/or Bylaws of the Association may be amended in whole or in part, at any time from time to time, by the Declarant without the consent or approval of any other Owner, any Security Interest Holder, or any other Person, in order to correct clerical, typographical, or technical errors.

14.8.4. Except as to amendments which may be made by the Declarant, amendments to this Declaration may be prepared, executed, recorded, and certified by any officer of the Association designated for that purpose or, in the absence of designation, by the president of the Association. Such certification shall, in the case of an amendment requiring the approval of Owners, certify that the Association has received the requisite approvals. Amendments which may be made by the Declarant pursuant to this Declaration

or as permitted by the Act, may be signed by the Declarant and shall require no other signatory.

Section 14.9. *Registration of Mailing Address.*

Each Owner and each Security Interest Holder, insurer or guarantor of a Security Interest, shall register his mailing address with the Association, and all notices or demands intended to be served upon an Owner, or upon a Security Interest Holder, insurer or guarantor of a Security Interest, shall be sent by U.S. mail, postage prepaid, addressed in the name of such Person at such registered mailing address. However, if any Owner fails to notify the Association of a registered address, then any notice or demand may be delivered or sent, as aforesaid, to such Owner at the address of such Owner's Unit. All notices, demands, or other notices intended to be served upon the Executive Board or the Association during the Period of Declarant Control shall be sent by U.S. mail, postage prepaid, to 100 Inverness Terrace East, Suite 110, Englewood, CO 80112, unless such address is changed by the Association during the Period of Declarant Control; subsequent to expiration of the Period of Declarant Control, the Association shall notify the Owners of a different address for notices.

Section 14.10. *HUD or VA Approval.*

During the Period of Declarant Control, the following actions shall require the prior approval of HUD or VA if, at the time any such action is taken, HUD has insurance or VA has a guarantee(s) on one or more first Security Interests, and HUD or VA require such approval: annexation of additional real property (if the Declarant desires to obtain VA or HUD approval of the property that is being annexed): amendment of this Declaration, except as provided in Section 14.4 and subsections 14.8.2 and 14.8.3 hereof; termination of this Community; dedication of Common Elements; or merger or consolidation of the Association, except as provided in Section 3.12 of this Declaration (Merger).

Section 14.11. *Termination of Community.*

The Community may be terminated only in accordance with the Act.

Section 14.12. *Transfer of Special Declarant Rights.*

A Special Declarant Right created or reserved under this Declaration may be transferred only by an instrument evidencing the transfer recorded in every county in which any portion of the Community is located, and in accordance with the Act.

Section 14.13. *Eminent Domain.*

The taking by eminent domain of a Unit(s) or Common Elements, or any portion thereof, shall be done in accordance with applicable law, including without limitation the Act.

Section 14.14. *Limitation on Liability.*

The Association, the Executive Board, the Declarant, the Design Review Committee, and the officers, directors, managers, members, partners, agents and employees of the same, shall not be liable to any Person for any action or for any failure to act unless the action or failure to act was not

in good faith and was done or withheld with malice. The release and waiver set forth in Section 14.18 of this Declaration (Waiver) shall apply to this Section.

Section 14.15. *No Representations, Guaranties or Warranties.*

No representations, guaranties or warranties of any kind, express or implied, shall be deemed to have been given or made by Declarant, the Association, the Executive Board, the Design Review Committee, or by any of their officers, directors, managers, members, partners, agents or employees, in connection with any portion of the Community, or any Improvement, its or their physical condition, structural integrity, freedom from defects, zoning, compliance with applicable laws, fitness for intended use, or view, or in connection with the subdivision, sale, operation, maintenance, cost of maintenance, taxes or regulation thereof, unless and except as shall be specifically set forth in writing. The release and waiver set forth in Section 14.18 of this Declaration (Waiver) shall apply to this Section.

Section 14.16. *Disclaimer Regarding Safety.*

DECLARANT, THE ASSOCIATION, THE EXECUTIVE BOARD, THE DESIGN REVIEW COMMITTEE, AND THEIR OFFICERS, DIRECTORS, MANAGERS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, HEREBY DISCLAIM ANY OBLIGATION REGARDING THE SECURITY OF ANY PERSONS OR PROPERTY WITHIN THE COMMUNITY. BY ACCEPTING A DEED TO PROPERTY WITHIN THE COMMUNITY, EACH OWNER ACKNOWLEDGES THAT DECLARANT, THE ASSOCIATION, THE EXECUTIVE BOARD, THE DESIGN REVIEW COMMITTEE, AND THEIR OFFICERS, DIRECTORS, MANAGERS, MEMBERS, PARTNERS, AGENTS AND EMPLOYEES, ARE ONLY OBLIGATED TO DO THOSE ACTS SPECIFICALLY ENUMERATED HEREIN, OR IN THE ARTICLES OF INCORPORATION, BYLAWS, RULES AND REGULATIONS, AND POLICIES AND PROCEDURES OF THE ASSOCIATION, AND ARE NOT OBLIGATED TO DO ANY OTHER ACTS WITH RESPECT TO THE SAFETY OR PROTECTION OF PERSONS OR PROPERTY WITHIN THE COMMUNITY. THE RELEASE AND WAIVER SET FORTH IN SECTION 14.18 OF THIS DECLARATION (WAIVER) SHALL APPLY TO THIS SECTION.

Section 14.17. *Development Within and Surrounding the Community.*

Each Owner acknowledges that development within and surrounding the Community may continue for an indefinite period, and that plans for the density, type and location of improvements, developments or land uses may change over time. Such development may entail changes to or alterations in the access to the Community, views of or from the Community or the Units, surrounding land uses, open space or facilities, traffic volumes or patterns, privacy or other off-site aspects or amenities. Development also may entail noise, odors, unsightliness, dust and other inconveniences or disruptions. By accepting a deed to a Unit, each Owner accepts title to such Unit subject to the foregoing, and waives and releases any claim against the Declarant, the Association, the Executive Board, the Design Review Committee, and their respective officers, directors, managers, members, partners, agents and employees, heirs, personal representatives, successors and assigns, arising out of or associated with any of the foregoing. The release and waiver set forth in Section 14.18 of this Declaration (Waiver) shall apply to this Section.

Section 14.18. Waiver

By acceptance of a deed to a Unit, each Owner hereby releases, waives, and discharges the Declarant, the Association, the Executive Board, the Design Review Committee, and their respective officers, directors, managers, members, partners, agents and employees, heirs, personal representatives, successors and assigns, from all losses, claims, liabilities, costs, expenses, and damages, arising directly or indirectly from any hazards, disclosures, risks, or other matters set forth in this Declaration, including without limitation, those contained in Sections 10.15, 14.14, 14.15, 14.16 and 14.17 of this Declaration.

Section 14.19. Headings.

The Article, Section and subsection headings in this Declaration are inserted for convenience of reference only, do not constitute a part of this Declaration, and in no way define, describe or limit the scope or intent of this Declaration or any of the provisions hereof.

Section 14.20. Gender.

Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular and the use of any gender shall be applicable to all genders.

Section 14.21. Run with Land; Binding Upon Successors.

The benefits, burdens and all other provisions contained in this Declaration shall be covenants running with and binding upon the Community and all real property and Improvements which are now or hereafter become a part thereof. The benefits, burdens and all other provisions contained in this Declaration shall be binding upon, and inure to the benefit of the Declarant, the Association and all Owners, and upon and to their respective heirs, personal representatives, successors and assigns.
