acts or omissions shall apply thereto.

(b) The cost of reasonable repair and maintenance of a party wall shall be shared by the owners who make use of the wall in proportion to such use.

(c) If a party wall is destroyed or damaged by fire or other casualty, any owner who has used the wall may restore it, and if the other owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such owner to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

(d) Notwithstanding any other provision of this Article, an owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. **USE RESTRICTION.** These restrictions shall apply to all owners of Lots.

(a) No planting or gardening shall be done, and no fences, hedges, walls or other improvements or structures shall be erected or maintained in or upon the common facilities except such as are installed in accordance with the initial construction of the buildings located thereon or as approved by the Association's Board of Managers. Except for the right of ingress and egress, the owners are hereby prohibited and restricted from using any of the Property outside the exterior boundary lines of their respective Lots, except as may be allowed by the Association's Board of Managers and this Declarations. It is expressly acknowledged and agreed by all parties concerned that this paragraph is for the mutual benefit of all owners and is necessary for their protection.

(b) With the exception of exterior maintenance of the townhouses, maintenance, upkeep and repairs of any residence of other improvements on each Lot shall be the sole responsibility of the individual owner thereof and not of the Association; however, any cooperative action appropriate to the proper maintenance, utilization, beautification or upkeep of said residences and improvements may be taken and assessments therefore may be made by the Board of Managers, at the discretion thereof. The cost of such exterior maintenance shall be added to and become part of the assessment to which such Lot is subject. Prior to entry upon the Lot, the Association shall give the owner three (3) days notice of the intended action.

(d) Without prior written approval and authorization of the Board of Managers, no exterior television or radio antennas of any sort shall be placed, allowed or maintained upon any portion of the improvements to be located upon the Property, nor upon any structure situated thereon other than a master antenna system, should any such master system or systems be utilized and require any such exterior antenna.

(e) Refuse piles or other unsightly objects or materials shall not be allowed to be placed or to remain upon the Property. The Association shall have the right to enter upon said lands and remove such refuse piles or other unsightly objects or materials at the expense of the owner responsible therefor, and such entry shall not be deemed a trespass provided three (3) days prior notice has been given to the owner and failure of owner to remove same.

(f) No commercial type vehicles and no trucks shall be parked on the Property except while engaged in transport. For the purposes of this covenant, a 3/4 ton or smaller vehicle, commonly known as a pickup truck, shall not be deemed to be a commercial vehicle or truck. No recreational vehicles, boats, trailers, camper, house-trailers or other similar vehicle shall be parked overnight or stored on the Property.

(g) No free-standing mailbox shall be erected unless approved by the Board of Managers.

(h) No Lot or easement shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall be disposed of in a sanitary manner, pursuant to rules and regulations adopted by the Association.

(i) The Board of Managers is authorized to adopt rules and regulations relating to the parking of vehicles on the common facilities. Such rules shall assure the utilization of parking spaces by all owners in a fair and equitable manner and shall prohibit the use of parking areas for storage of motor vehicles, boats, trailers, campers, housetrailer or any other object, vehicle or equipment, except in designated parking areas.

The Association is herewith vested with authority by Declarant and is assigned the rights of Declarant to enforce to the same extent as Declarant might, any and all covenants running with the Property including but not limited to all covenants contained herein, or in protective covenants recorded against the Property, if any; provided that the authority and rights herein granted and assigned shall not preclude Declarant from proceeding to enforce any or all of said covenants, whether or not the Association is acting in that regard.

Section 3. INSURANCE ON TOWNHOUSES. The Association shall maintain casualty, liability and other insurance on the townhouses which insurance shall name as insured the Association and the owners of the Lots. Section 3. AMENDMENT. The covenants, conditions and restrictions in this Declaration shall run with the land and be binding upon all Owners for a term of ten years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten years each.
